

VISION:

IEEE-MSB has launched this Ideathon under SAMWAD to celebrate Women in Engineering (WIE) and to invite ideas to address real life problems related to women, tech and business. The competition lays emphasis on how we as a society, organization, and individuals address these issues

RULE AND CODE OF CONDUCT:

- You can register individually or in a team consisting of 1-4 members.
- Registration form must be filled completely without any false information.
- It is the participant's responsibility to have a stable internet connection. Dealing with any discontinuity in the event on the participant's side is not the organizers responsibility.
- All submitted entries would be checked for plagiarism and appropriate action will be taken if any found.
- Entries for the second round will be judged on the basis of Logical Flow, Analytical Reasoning, Innovative solution and presentation.
- Participants can only submit once for a selected problem statement and can attempt the quiz only once. Any extra submissions or quiz attempts could result in disqualification.

- It is compulsory that the team leader has an active email-ID for communication.
- Participants are advised to be present at the respective meeting platforms in advance to avoid last-minute hassles. Any request for a delay will not be entertained.
- Any anomaly must be informed well in advance so that necessary steps can be taken to resolve it beforehand.
- The organizing team reserves the right to change or modify any of the rules.
